

Task: Practicing tray use and carrying a coffee set

Objective: You can use a tray and carry a coffee set to the table professionally and safely.

Purpose:

- Practice handling the tray and the coffee set to ensure the items remain balanced and secure on the tray during service.
- Develop serving skills to carry and collect the coffee set from the table smoothly and without accidents.

Task: Use the images below to assist with your practice.

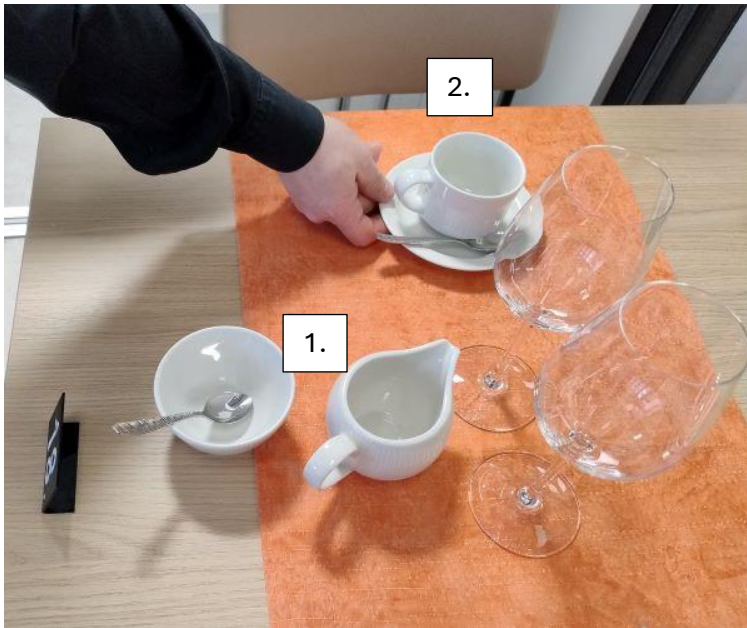

Preparations:

Place the saucers in the middle of the tray.

Preparations:

1. Put one coffee cup and a spoon on the top saucer.
2. Arrange the coffee cups around the edges of the tray and place a spoon in each cup.
3. Place the cream jug and sugar bowl at the front of the tray.

Serving:

1. Unload the tray onto the table, starting with the cream jug and sugar bowl.
2. Lift the top coffee cup with the saucer onto the table.

3. Place the coffee cup and spoon on the top saucer.
4. Lift onto the table.
5. Place the coffee cup and spoon on the top saucer again.
6. Lift onto the table.

Collecting: Practice collecting the cups from the table. Arrange the tray in the same way as at the beginning.
