

## Moodle H5P Drag and Drop

Task:

Digital Pathology Drag and Drop

Traditional pathology		Digital pathology
	sparing tissue	better overview of the slide
	possibility to work outside the lab	
	fast outside consultations	no lost slides
	digital storage space	physical storage space
	fast analysis	working only at the lab
	use of AI possible in the future	
	a lot of labor	sending slides via post office
	faded stainings	consumes more reagents
	fast and easy retrieval of cases	

Tarkista

With correct answers:
